<b>Preliminary budget net change</b>						<b>\$ -</b>
Historical data includes SRF Project income & expense. The "net change" does not represent "cash" it represents changes in financial position.						
Financial position includes the value of assets other than cash, such as the new water tank & money owed to others and from others.						
Our budget however, is primarily "cash based" and the net gain is \$ that we plan to add to our contingency/maint fund						
<b>Note: The budget column uses a combination of balance sheet &amp; income statement figures.</b>						
<b>The Budget is a managerial document and is not required to follow GAAP.</b>
