Re: Indication for Coverage – Alleghany County Water District

Dear Rae Bell,

Thank you for the opportunity to provide this proposal for Alleghany County Water District's membership in Golden State Risk Management Authority (GSRMA) for the 2023-24 coverage year. GSRMA has proven to be an excellent risk-pooling option for California special districts.

GSRMA requires participation in all coverage programs applicable to your district. In doing so, GSRMA has been able to provide its members with stable rates, and high coverage limits, since 1979. GSRMA currently has over 300 member agencies throughout the State of California.

Please take a moment to review the attached indication which is based on the information you have provided. The following additional documentation is required before a final quote can be prepared and coverage bound:

- "No known loss" letter, or 10-year loss history, for all lines of coverage;
- Completion of Application for Certificate of Consent to Self-Insure (SIP Certificate);
- Signed JPA Agreement (acceptance of, and agreement to abide by, the Golden State Risk Management Authority Joint Exercise of Powers Agreement, and the Golden State Risk Management Authority By-Laws).

Additionally, your district's information will be provided to PRISM, our excess carrier, for approval. PRISM must approve your district for membership before coverage can be bound. Note that this is an *indication* for coverage and estimates may be modified based on loss experience.

We look forward to working with your agency. Please feel free to call with any questions.

Sincerely,

Elizabeth "Liz" Smith, CPCU, ARM
Underwriter
Golden State Risk Management Authority
